

SYNOVA SA Innovative Laser Systems

“Where others see impossibilities,
we see solutions”

Headquartered in Ecublens near Lausanne, Synova is the pioneer of a revolutionary hybrid laser processing technology – Laser MicroJet®. Synova provides state-of-the-art high precision material processing in the semiconductor industry as well as for emerging applications in the electronics, MEMS, solar cell, flat panel display and medical industries.

To support Synova’s exciting growth, we are looking for a

Purchasing Manager

In this position in Ecublens you will:

- Identify, qualify, select and manage suppliers in line with company business needs and strategy
- Negotiate high value and frame contracts with worldwide suppliers
- Ensure that purchasing orders are placed in a timely, accurate and efficient way and that promised deliveries are on-time and accurate
- Lead the supplier escalation and returns process
- Make sure that adequate controls (e.g. three way match) are in place and that suppliers data are up-to-date

For this position, we are looking for candidates with the following profile:

- At least three years management experience of a purchasing team for industrial products
- Materials management and machine tool industry knowledge
- Strong negotiation skills and experience
- Hands-on personality, proactive and solution driven
- Excellent communications skills in French and English, German a strong plus

Do you want to join our fast-growing, innovative and progressive company? If you feel that you have the qualities to make an effective contribution, please apply now:
